Objective

Enthusiastic Cloud Computing Explorer with practical experience in GCP, Docker, Kubernetes, and Terraform. Adept at developing and deploying scalable cloud applications and data pipelines while continuously exploring modern cloud-native technologies. Skilled in Python, Java, and Bash scripting, with a strong understanding of Linux, networking, and CI/CD workflows. Driven to innovate and optimize cloud infrastructure by applying best practices in scalability, automation, and reliability.

Education

- Suresh Gyan Vihar University 2023-27 (ongoing)
B.tech CSE

Technical Skills

- Cloud Platforms: Google Cloud Platform (Compute Engine, Cloud Run, BigQuery, Cloud Functions, Pub/Sub, Cloud SQL, Cloud Scheduler, Dataflow)
- DevOps & Infrastructure: Docker, Kubernetes, Terraform, Jenkins, CI/CD Pipelines
- Programming Languages: HTML,CSS,Python, Java, Bash/Shell Scripting, SQL Tools & Technologies: Linux, Git, REST APIs, Networking Fundamentals, VS Code

Projects

- Histo Search**
Developed a web-based historical search engine using the Wikipedia API, featuring 360° virtual tours, a bookmarking system, and built-in security monitoring for enhanced user experience.
- Cloud Based Intrusion Detection System**
Developed a cloud-based Intrusion Detection System (IDS) using machine learning to monitor network traffic and detect real-time security threats.
- Lab Guard Pro**
Developed **Lab Guard Pro**, an inventory monitoring system that sends automated email alerts when stock levels fall below the minimum threshold.
- Safe Lock**
Built an Android app that locks the phone for a set time duration.Includes emergency access with up to 5 contacts during the lock period.

Soft Skills

- Communication
- Leadership Quality
- Creativity
- Problem-solving

Achievements & Interest

- Achieved **Google Cloud Computing Foundation Certification**, demonstrating foundational knowledge of cloud computing, GCP services, security, and pricing models.
- Interested in attending bootcamps
- Travelling

Languages

- English
- Hindi

Personal Details

- ◆ Date of Birth : 12/12/2006
- ◆ Marital Status : Single
- ◆ Religion : Hindu
- ◆ Gender : Male
